

ADELPHIA BIBLE SCHOOL

This was made for you

2012-2013

This Was Made For You

Adelphia Bible School is a one-year education experience that uniquely equips students to make the most of their life and faith. Combining practical biblical instruction, an inspiring community, and real-life opportunities to put faith into action, the Adelphia experience will prepare students for a lifetime of success in any endeavor!

Adelphia is located 35 minutes from Seattle, on 50 acres of picturesque lakefront property at Lake Retreat Camp and Conference Center in Ravensdale, Washington.

The Adelphia experience provides intentional, focused time exploring a student's strengths, identifying gifts and abilities, developing vital life skills, and equipping for faith and mission. Adelphia graduates may pursue further education at a university, some will enter the workforce, and many will devote their time in volunteer or vocational ministry. Wherever you go next, Adelphia is the best place to start!

"I chose Adelphia because I wanted an opportunity to put my faith into action in a real community with people who would challenge me to be more like Jesus."

STEPHANIE RICHARDSON, 2011 Adelphia student

Students at Adelphia Receive

- A Christ-focused community of young adults
- Teaching from best-practice partners
- A two week national or international mission venture
- An Apple iPad®
- Relationship with local churches and para-church organizations
- Practical training and application for your ministry focus
- Training in life-skill areas such as money management, resume writing and leadership development
- Increased likelihood of success in a university setting
- A portfolio with training, mission, work and ministry experiences

Student Life

Our dorms have been remodeled and are quite comfortable. Dorms and lounges come with beautiful views of Lake Retreat. The campus has wireless internet access; which comes in handy for the iPad® each student receives with his or her paid tuition. The unique Adelpia day includes 3 hours of class time, fantastic meals and ample time to invest in the lives of others through ministry, local internships and other social settings. Two evenings a week are given to new challenges and discussions through our acclaimed "LIFE" Gatherings.

Because Adelpia is located on 50 beautiful, wooded acres with 900+ feet of private shoreline, our community will have amazing opportunity to take advantage of all our campus has to offer, like the 40' climbing wall, swimming, pickle ball, volleyball, putt-putt, paintball, boating, fishing and much more. But if that's not enough students can get off campus and within an hour ski the slopes, enjoy a meal downtown Seattle, or hike a trail in the beautiful Mt. Rainier National Park.

Faith

Live in a community of believers while diving deep into your walk with Jesus. Develop a faith that belongs to you.

"I am thrilled that my son found a school where his faith is both challenged and encouraged." Parent of a 2011 Adelpia Student

Inspiration

Be motivated by others walking along side you while learning from those who have gone before you.

Answers

Discover truths from Scripture that withstand time and lead you in every aspect of your daily life.

"We're so excited to have Adelpia so close to our church, receiving interns from the school is a blessing we know will have a lasting impact..." Mac Hillabush, Youth Pastor

Opportunities

Serve and share in local regional and foreign contexts through internships at local churches, classes at local college campuses and through service opportunities.

The one-year Adelpia experience culminates in a life-changing two-week mission experience. Partnering with proven mission organizations like Youthmark Ministries for in-depth training and experiences, Adelpia students will learn hands-on what it takes to plan for, prepare, and carry out a successful mission venture.

Experience Adelfhia

"Adelfhia Bible School is a meaningful and valuable bridge for students who want to spend a year focusing intensely on the Word of God, church history, biblical theology, and Christ-centered ministry."
REV. RALPH GUSTAFSON, VP for Constituent Relations, Bethel University, St. Paul, MN.
